And your hotel is bookable with over 600'000 travel agents worldwide.

## HERE IS HOW reonline\_CRs SUPPORTS YOUR GDS DISTRIBUTION

**Available on all channels:** With reonline\_CRs your hotel is bookable in the Global Distribution System (GDS) Amadeus, Sabre, Galileo, Worldspan and Axess.

**You're in full control:** With our web-based Control Panel you always have access to your online offerings, including availability, pricing, hotel descriptions and pictures.

**Your Negotiated Rates are in good hands:** Not only are we known for loading your company rates and/or consortia agreements really fast, we also make sure they're setup properly.

**Reduce your GDS distribution costs:** Request more information on our pricing models and how you can reduce your hotel's GDS distribution cost.

## OVERVIEW

With reonline\_CRs your hotel is bookable in the Global Distribution System (GDS) Sabre, Amadeus, Travelport (Galileo, Worldspan) and Axess (Japan). All our interfaces support the latest standards (Seamless Next Generation) as well as industry best practice programs like 'Total Pricing' or 'Rate Assured.'

## FEATURES & BENEFITS

### SIMPLE, YET POWERFUL

With our web-based Control Panel you always have access to your online offerings, including availability, pricing, hotel descriptions and pictures. There is no software to install or manual handovers required from our side. Changes you make in our system are immediately updated in all connect distribution channels.

### CONSORTIA & COMPANY AGREEMENTS

Your 'rate loading instructions' for company rate agreements are in good hands with us. Not only are we known for loading them really fast, we also make sure they're setup properly. And we can also assist you in

contracting Consortia agreements, including an interfaced third-party tool (Lanyon, Nexus) to automate the process.

### TRAVEL AGENT COMMISSION

With reonline\_CRs you're the one who defines how much commission you pay to travel agents (we recommend 10%). Our automated travel agent commission payment processing makes sure, your travel agent partners receive your commission in a timely manner.

### GDS EXPERTS

Our team of GDS Distribution experts makes sure, that your content is setup correctly based on the requirements of each individual GDS system, and the presentation of your content actively promotes bookings. If required, we can also assist you in defining a proper pricing strategy for your hotel.

### INTERFACES: PMS / CHANNEL MANAGER

If you plan to integrate reonline\_CRs into your current infrastructure, there are several interfaces for Front Office Solutions or Channel Managers available.
